Brainstorming Web

Directions: After selecting a Topic for research, you must decide the specific ideas you want to focus on about your Topic. These focused ideas will become your Subtopics. You must have 3 designated Subtopics for research.

Sample Brainstorm Web

Topic
Farming

SubTopic
What was life like before farming?

SubTopic
Costs and Benefits of Farming

SubTopic
How did they farm? What did they need to farm?

Alternate Sample

Topic: Gilgamesh

Subtopics: Background information (who was he, where was he from, etc.)? What were his accomplishments? What is his legacy?
