INTRODUCTION OF RESEARCH

1. State your ESSENTIAL QUESTION in statement form.

2. Develop a sentence or two involving your overall TOPIC of research.

3. Write a thesis statement introducing your 3 SUBTOPICS of research about your TOPIC.

CONCLUSION OF RESEARCH

1. Restate thesis statement (LAST SENTENCE OF INTRODUCTION)

2. Restate your topic (if you did not in the thesis)

3. Conclusions of Research: What did I learn about my TOPIC? What conclusions can I draw? What did your research help you to understand? (2-3 sentences)

4. Restate the Essential Question.
